USER INTERFACE

The background is a 3D rendered scene. It features a large, textured red wall. Two vertical wooden pillars are positioned on the left side. The floor is dark and reflective. In the distance, there is a small, dark building with a bright fire or light source inside, creating a strong contrast. The overall atmosphere is somewhat mysterious and dramatic.

USER INTERFACE

The background is a 3D rendered environment. It features a large, textured red wall that serves as the main backdrop. Two vertical wooden pillars are positioned on the left side of the frame. The floor is a dark, flat surface. On the right side, there is a small, dark structure with a bright, glowing orange and yellow light source inside, resembling a fire or a furnace. The overall atmosphere is somewhat industrial or medieval.
